IST shipped its 13th EOR unit to South America!

IST has shipped its 13th OTSG EOR application unit to Lake Maracaibo, Venezuela. The 50 mm Btu/hr unit was purchased by Premier Energy Services and it will be owned and operated by Petróleos de Venezuela South America (PDVSA).

This is IST's fourth EOR contract for PDVSA. The unit is scheduled to arrive in Venezuela the first week of June and commissioning will start on August.

This was the largest transport vehicle used to date by IST. [click here to see photos of the SQ90™ unit leaving IST's facility.](#) IST has sold over 175 units in 19 countries worldwide.

SIMPLY SPEAKING...

we find a better way

This drives our every thought and action, for every project and customer.

Since 1992, IST's philosophy has attracted the industry's most innovative, talented people and inspired us to improve on accepted industry standards with every steam generator installation.

Today, 'finding a better way' has earned us business in 19 countries with over 185 OTSGs in operation worldwide.

And, as you will see in this issue of The Simple Report, the improvements are ongoing- we simply can't help ourselves.
